

Michelle Lynn Clements

DOB. May 28.1978 ----- DOD May 30.1978

Michelle was my first child. She looked like a normal baby on the outside but she was a very sick baby on the inside as she had been born with several heart defects. She had to fight to get this far in life.

This was also to be the thing that would take life from her. She was born with a full head of hair and was such a beautiful little girl. I did get the chance to see her blue eyes and they were so blue they looked unreal.

I was so blessed to have this chance to hold her just for a few minutes. I'll treasure it for all my life as I was the only one to be able to do this. As time grew near and life was slipping away, I kissed her on the head told her "I love you, I'll see you later at another place in time. Daddy loves you".
